# "Teachers Receive Over £2 Million"

### The tax recovery initiative has been a massive success. Already over £2 Million has been recovered for teachers.

From the results, it is clear thousands of teachers are still due tax refunds, but as they have not taken advantage of the offer, they have so far missed out.

You should note that it is up to you (not your employer) to make sure you have the correct tax code. Your code tells your employer how much tax you must pay. if it is wrong, they may have taken too much tax. It is very rare they take too little!

# The main points to remember are:-

- T PTS will make sure you have the correct tax code and that you do not pay
- For every £1 of overpaid tax PTS recover for you, you get 60p.
- This is a totally confidential service between you and PTS. ¬ No Refund = No Fee.

## Almost 75% of the Teachers who have used this service have received a refund.

If having used this service you have any questions, please write to:-Client Services Dept, PTS Ltd, Regent House, Heaton Lane, Stockport SK4 1BS, quoting your National Insurance Number and phone number.
